To be eligible for the international excellence scholarship, applicants must a) reside abroad when applying, and b) have been accepted to follow the IMAS master's program (M1 or M2 level).

Application procedure:

The application file is available on the website of the Implanteus Graduate School. It includes an **information form** to be completed, as well as the following documents:

1. a **cover letter** justifying:
 - the choice of this master's program as part of the candidate's professional project

To be admissible, application files must be sent to the Implanteus Graduate School **before April 29, 2022** at the following address: implanteus@univ-avignon.fr. Any application received after the deadline will be ineligible.

Selection of candidates:

The selection of candidates will be carried out by the Executive Committee of the Implanteus Graduate School during the days following the deadline.

Payment:

The scholarship is paid in three instalments:

50% at the beginning of the academic year, on presentation of a proof of registration;

40% at the end of semester 1;

10% in May.

The award of an international excellence scholarship commits the student to becoming an "ambassador" of the Implanteus Graduate School for the duration of the scholarship. The awardee will thus agree to sit on the Academic Council and be a point of reference for the organization of the Summer School.
